## Landscapes of the Heart Exploring Our Spiritual Geography Annual Retreat at Carondelet Village Sunday, June 18 through Saturday, June 24 *Laura Bufano, CSJ – Retreat Director*

As pilgrims on a journey we experience God's presence in the "landscape" of our heart – the mountains and valleys, the deserts and oases, the ebb and flow of the tides. With poetry and prayer, scripture, song and story as our companions and guides our spiritual geography will be explored. What has brought us where we are? What have we learned? Pack lightly and bring a spirit of openness and adventure. God's Spirit will lead the way!

This CSJ sponsored event is open to all residents at no cost.  
Non-CSJs are invited to make a donation if you wish.

*Laura Bufano, CSJ is a native of Syracuse, NY and has been a Sister of St. Joseph, Albany Province for almost 50 years. She currently serves as Associate Director for Pastoral Planning in the Diocese of Syracuse. For six previous years, she served as the congregational director and a member of the Congregational Leadership Team.*
