

I am going to try to pay attention to the spring. I am going to look around at all the flowers, and look up at the hectic trees. I am going to close my eyes and listen.

Climbing Mt. Rainier

A Pellion Presentation

with CV Volunteer, Justin McDevitt

1:30pm, Monday, April 16

Auditorium

Come watch this amazing documentary about a group of people, including Justin, who accepted the challenge to climb Mt. Rainier.

Just because the season outside our window wears the face of spring doesn't mean that it's spring in the heart. It is highly possible that despite the festival of spring, despite life having a jubilee all around us, we can look on only with disdain . . .

During this season it is helpful to take a little time to meditate on the return of life. How are we, like the buds of the earth, opening to God and to others? What secrets buried deep in the soil of our soul are being revealed to us? How is the gospel of springtime unfolding for us? What is the great blossoming in us?
