Care Center residents enjoyed their recent visit to the Como Conservatory.

## Congratulations To Our Care Center!

The MN Dept. of Health surveyors were here this past week. After interviewing many residents, and checking on the over 700 regulations we must follow, they mentioned only one minor concern. They were very impressed with our facility and amenities, and even more impressed with the consistent quality of care that we provide to our residents on a day-to-day basis. Our gratitude and congratulations to all who work so diligently to make CV a safe and happy home!
