

The woods
are lovely,
dark,
and deep.
But I have
promises
to keep,
and miles
to go
before I sleep.

Why a Chapel Fund Collection?

Grateful for our daily Mass, several years ago a number of residents requested that we offer an opportunity for them (and others) to contribute to the operation of the Chapel, as they now consider us their “home parish.” Our response to their request was to put a collection basket out at our Sunday Masses. Many thanks to those who have been so generous to this fund over the years.

New Fitness Class Schedule

Effective Monday, August 6, Carondelet Village will be offering an entirely new *Fitness Class Schedule*. The classes you know and love still remain, and some new and exciting classes have been added. The structure of the fitness classes has been adjusted to create 3 tiered levels. These levels are designed so that, regardless of fitness or mobility status, you can come and enjoy classes that are most suitable for you. There are classes specifically designed for: increased independence and reflexes; pain relief and increased mobility; increased strength and reducing body fat. The wellness staff will be happy to assist you in choosing the class and level that will best suit your needs.

Stop by the Fitness Center to pick up a copy of the new *Fitness Class Schedule*, and descriptions of the various classes.
