Space is limited, so please sign up on the sheet outside the Reflection Room.

Come explore, imagine and move thru fluid support for movement. Anatomical learning, imagery, body-awareness, sensations and group reflection will be used to assist in understanding Body-Mind Centering. This is "experiential anatomy" and body awareness.

This class will be taught by an Occupational Therapist who has worked in both rehabilitation and home care for the past 12 years.

Behold! is published weekly.
