After realizing how lonely and routine her life  
has become, a longtime widow (Blythe  
Danner) begins relationships with two very  
different men (Martin Starr; Sam Elliott).

So calm, so quiet  
Emerald trees praising God  
In a dew-bright dawn

## Outdoor Visits

### as the weather gets colder

We are working on plans for visits with Care Center, Assisted Living and Arbor (Memory Care) residents as we move into fall and winter and the weather is not conducive to outdoor visiting.

As soon as the logistics have been figured out and spaces for indoor visits prepared, we will let you know.

This is all subject to change/cancellation depending on protocols issued by the Minnesota Department of Health, and the health of residents in our building.

## Flu Shot Reminder

Flu shots will be given in the Carondelet Village Auditorium on Monday, September 28, from 1:00-3:00pm. Independent Living residents (and staff) who would like to get their flu shot here need to sign up for a time and fill out the necessary paperwork. Please call Cassie Kigin at \*5015.

Nurses will go to Assisted Living residents' apartments that day between 10:00am and noon to give them their flu shots.

Care Center residents will be given their flu shots on a different day.
