

# Behold

Do you bow your head  
when you pray  
or do you look up  
into that blue space?  
Take your choice,  
prayers fly from all directions.

Mary Oliver, *Felicity*

## Flu Season Precaution

During this flu season we need to take every precaution, so we ask that you consider refraining from shaking hands during the *Sign of Peace* at Mass. A smile goes a long way -- toward extending peace, as well as toward controlling the spread of germs!

53 of our residents have found their way to eternal rest since Nov. 2, 2017. During this month of All Saints and All Souls, we remember them...

**Neighbors, Please Remember . . .**

Our residents are our first priority. We ask that you be mindful of this if you choose to join us for Mass. We have limited seating in the Chapel, so please help us make sure residents (and their families) have seats before you are seated. This will be especially necessary as we enter the seasons of Advent/Christmas. *Thank you.*

***Behold!*** is published weekly.
