

The beautiful spring came; and when
nature resumes her loveliness, the
human soul is apt to revive also.

Easter Prayer

Help us rise each day to Easter
Teach us to practice resurrection
To seek love and forgiveness and new life
In our work
In our play
In our busy, distracted, lonely world

Remind us as the earth re-blooms
That new life is available to us every day
Our portion is abundant
If we will but empty our hands
Of the things that would distract us from you
And open wide to receive
 your resurrection blessings
So that we may be your blessing to others
