COVID-19 and Visitor Restrictions at Carondelet Village

In an effort to prevent COVID-19 from coming to our building, we have implemented visitor restrictions across the entire campus. While these restrictions are being imposed in the strictest manner in the Care Center and Assisted Living, we are applying the restrictions to all housing areas. Given the integrated nature of our campus and the worldwide shortages of personal protective equipment (PPE), we have determined that this is the best method to protect those who live here and be good stewards of valuable supplies. If you have a specific issue related to visitors that you need to discuss, please contact Anne O'Connor at 651-695-5002 or aconnor@preshomes.org.

For example, if you have family that deliver groceries to you, please consider reducing the number of times they drop off groceries and have them drop groceries at the front desk. In this way, we minimize the contact with residents and time in the building. I encourage you to pursue methods such as phone calls or Skype visits whenever possible for social visits.

Thanks in advance for your cooperation in protecting the health and safety of all who live and work here. While these times are difficult, the staff at Carondelet Village remains committed to serving you and you are always in our prayers.

Anne O'Connor, Campus Administrator

The Feast of St. Joseph Thursday, March 19

Blessings and Congratulations to these Sisters, Celebrating their Jubilee:

80th Anniversary

Florine Provencher

70th Anniversary

Mary Nicholas Vincelli

Care Center, Assisted Living and Arbor
Residents – watch for Staff Leprechauns
bringing Irish Trifle for your enjoyment

Tuesday afternoon

Bedside Memorial/Procession of Honor

We will continue to offer this beautiful prayer to families whose loved one has died in our care. To minimize group gatherings, however, we will not be utilizing the Calling Tree.
