Movie of the Week

This coming week's movie (Monday – Sunday) is: *The Boy Who Harnessed the Wind*. Released in January, 2019, this movie is about a 13-year-old boy who is thrown out of the school he loves when his family can no longer afford the fees. He sneaks into the library and learns how to build a windmill to save his village from a famine.

COVID-19 Testing

Per the Minnesota Department of Health: on the next three Mondays (7/6, 13, 20), the National Guard will be here administering COVID-19 tests to all Carondelet Village staff, and to residents in our Care Center, Assisted Living and Memory Care.

CV Library Now Open

Our library is now open every day of the week (including Saturday and Sunday) from 10:00am – 4:00pm. There is no seating in the library (we will continue to have the newspapers out on the table in our reception area). You are invited to stop by to find a book, check it out, and read it at your leisure in your apartment or outside on a deck or patio.

Only two people may be in the library at a time, so a system has been set up whereby those entering sanitize their hands and then flip one of two green cards (which are hanging on the library door) to red. If both cards are red, please wait to enter until someone exits the library and turns a card back to green.

Bistro Open for Limited Seating

There are now six large tables in the Bistro, with two chairs at each. You are invited to enjoy being there with a friend/family member, remembering that only two persons may be seated at each table.

Visiting CC and/or AL Residents

IL residents wanting to visit CC and/or AL (including Memory Care) residents, please contact Krista (*5115) to schedule a day/time/place. Before you begin your visit, you must be screened at the front desk and receive an “approved visitor” sticker. Then go outside and meet the resident at your designated spot.
