

Every day we, as a species, do so much to destroy Creation's ability to give us life. But Creation continues to do everything in its power to give us life anyway. And that's true love.

Dining Rooms to Re-Open for Assisted Living Residents

With guidance from the Minnesota Department of Health, beginning Monday, September 14, Assisted Living residents will be enjoying their meals in the dining rooms once again. Tables and chairs will be placed according to social distancing protocols, and AL residents have signed up to eat (breakfast, lunch and dinner) in either the Commons Dining Room or the Terrace Dining Room. While AL residents are dining, Independent Living residents may NOT enter.

As we are able to move forward with re-opening areas of the building, Independent Living residents will be invited to dine in the Terrace Dining Room during specific times. We are also working on a plan for re-opening the Care Center Dining Room.

Please help us continue to be able to re-open things here: wear your mask, keep 6' apart, wash/sanitize your hands frequently, and go out only as necessary.

Flu Shots

Flu shots for Independent Living residents (and all staff) are on Monday, September 28, from 1:00-3:00pm in the auditorium. Residents and staff wanting to get their flu shot here must sign up for a time slot by calling Cassie Kigin at *5015. Cassie will see that you receive the flu shot paperwork to be filled out before your appointment.

Note to Assisted Living residents: AL residents will be provided flu shots in their apartments by *Optage* nurses that day (9/28) between 10:00am and 12:00 noon. Georgie (AL Clinical Administrator) will distribute the forms to AL residents.

Welcome,
Ashley

We are pleased to announce that Ashley Wall is our new Administrative Receptionist. Ashley has been with us at Carondelet Village since April 2020 as a Community Support Assistant (CSA). Her primary task was serving as a screener for all staff and visitors. Please offer your support and congratulations to Ashley (who is also our September Employee of the Month!) as she settles into her new role.
