

When we are weak, we are strong.
When our eyes close on the world,
then somewhere within us the bush
burns. —R.S. Thomas

Vaccine News

Terrific news! St. Paul Corner Drug will be offering and administering the Moderna vaccine to our independent living residents on site. Timing is yet to be determined. We will email you as we get updates.

Note From Pastoral Care:

Have you ever wanted to read through the entire Bible in a year? Perhaps you've already done this. However, if this is still on your bucket list, and you listen to podcasts, this is one I'm trying out: **The Bible in a Year** with Fr. Mike

Schmitz. This podcast is for anyone interested in learning more about the Bible, and Fr. Mike reads sections out of it each day. For me, this is lovely, as I appreciate someone reading for me, and just being able to soak it all in.

What resources, books, or other activities are enriching your spiritual life? Email me at costerhus@preshomes.org, or stop me in the hallway. Or, leave your name and comment on a comment card. –Carol O., Chaplain

Dementia Programs

Do you know someone struggling with dementia? Contact Karoline and Kim at *5106 for info on programs.

Memory Cafes are for people with early stage dementia, care partners, family and professionals to laugh, learn and share together in a safe, judgement-free place.
